**Ordering Procedure**

Recess Orders - need to be written on a plain paper bag labelled “Recess Order” and clearly marked with the child’s name. *Recess Orders are collected by the child from the canteen.*

Lunch Orders - need to be written on a plain paper bag clearly marked with the child's name and class. Please enclose correct money where possible. Change will be taped to the outside of the bag.

If a paper bag is not supplied, an additional charge of 10c/bag will be incurred.

Both Recess & Lunch Orders are to be placed by the children into their class baskets at the start of school and they are then bought to the canteen.

Please do not staple or tape bags closed - fold instead.

Some foods need to be collected from the canteen to avoid spillage. If that is the case a white tag is stapled to the lunch bag asking the child to please collect their “XYZ” from the canteen. When they bring the white tag to the canteen they will be handed the food.

**Volunteers**

The Canteen can’t run without parent Volunteers on the day’s that the canteen is open.

No volunteers means no Counter Sales

We have both full and half days available. If you can help, please see Chris Crocker - our Canteen Manager. This is a great way to be involved with the school and your kids will love seeing you behind the counter.

**Healthy Food Comment**

We are committed to providing tasty and nutritious food in accordance with the NSW Canteen Association & Healthy Kids Program guidelines.

In order to cater for everyone within the school community we do have a small number of red items on our list. However these must be ordered and therefore individual parents are in control of whether these are available to their own children.

Oops - forgot to hand in your order or bring your lunch? We will give you a vegemite sandwich, water & a piece of fruit. You will also be given an invoice to pay ASAP.

No experience is necessary!!

If you are unable to make your allocated shift please refer to the Canteen Rooster and endeavour to ‘swap’ with someone. If this is not possible, please let Chris know of your inability to be there with as much notice as possible, so a replacement for you on that day may be found.

If you are unable to volunteer your time but would still like to support the canteen, then please consider donating non-perishable items, such as foil & glad wrap or packet items such as low sugar/jelly-lite packets, vanilla/butter cake mix, tomato sauce, mayonnaise or milk flavorings.

Full list available from the canteen. Please deliver donations to the canteen or get your child to place them in class baskets on Monday, Wednesday or Friday.

Thank You.
